David,

Previously, you gave the parties an extension until the close of business on Friday, November 21, 2014, to report back as to whether or not the complaint had been settled. In an effort to help facilitate a resolution, ORS has made itself available on a continuing basis to both TMS and Windstream. However, ORS is aware that the parties are communicating together and have not chosen to utilize ORS' assistance at this time.

Of course, if we can be of any assistance, please do not hesitate to let us know.

Thank you,

**Andrew M. Bateman, Esquire**
